Unexpected Donation to Rubonia Kids

God works in mysterious ways ... It was lunch at Culvers when Jennettie Lierman and some ladies were discussing our Christmas Rubonia gift giving project. Mr. Mike Moore overheard the conversation and asked about it saying he would like to help and gave them his card. After an invitation to Saturday coffee, Mr. Moore arrived with his grandson Holden and a check for \$300 to be used for the children of Rubonia. Shown, from left, are Jennettie, Mr. Moore and Holden, Donna Corcoran and Virginia Weaver.

Home of the Month is suspended until more homes have been repaired and the park can be returned to its, at least, some semblance of its previous glory prior to Hurricane Milton.

For all of you that are now returning to the park from being away, please be sure to check in with the office so we can update the address where you can be reached. You can call, email or drop by to check in. Thank you to those who have checked in already.

All guests must be registered with the office. Guests' stay must conform to the rules and be limited to no more than 15 consecutive days at a time, no more than 30 per calendar year. If staying longer than these parameters outlined, the guests must be age qualified and screened by submitting an application to the office as stated in the Community Rules.

Dog owners need to pick up their own pet's droppings as soon as it happens-even if in your own yard. This is in the rules and is a good practice in helping to keep the park looking its best and to avoid spreading disease. Cats must be kept inside the home except when on a leash, just as dogs must be leashed if outside the home at all times.

Reminder to mail your payments or have them mailed out in time to meet the deadline of received on or before the 5th of each month. After the 5th, the \$40 late fee is added and if not paid by the 10th, after the 10th, a \$10 per day fee is also added. This FULL amount of this fee must be paid and will subject you to enforcement if not paid. Pay on time to avoid this fee as the office is doing the job the owner expects us to do and as the rules dictate.

The new amounts will be in effect **January 1, 2025** so please be sure to make your January checks for the correct amount per the increase letters mailed September 25, 2024. Also if you opted in to participate in the Community Internet, remember that you cannot opt out or put on vacation at any time. Please make sure to add the \$90 additional to the 2025 total amount on the letter. No partial payments can be accepted.

Country Lakes Villages is a 55 plus community. It is important all residents and guests are identified prior to occupancy. See above for **Guest Registration rules.**

Rentals must be for 90 days or more and approved by the office prior to occupancy. Anyone not following this policy need to be reported to the office as the safety of all residents is paramount. Unapproved back door rentals jeopardizes the safety and welfare of all residents and won't be tolerated. But again, we have to be notified to act on legitimate written reports. The safety and status as a 55 plus community hinges on residents complying with the rules of the community. Non-compliance will result in legal action and accompanying fees. Our objective is to maximize your safety and the value of your home and the community.

Homeowners are responsible to maintain all bushes, plants and sod. The park mows, edges and weedeats. If you want a nice yard it takes water, time and effort on the homeowner's part.

The community is returning to normal as fast as possible after Milton thanks to Bob Miller sending much needed help. Please be patient as the clean up and repair will take many months for the community and homeowners.

RVs, Boats and trailers must have a current registration and be approved by the office. Failure to do so may result in towing. There are currently a few vehicles that aren't approved by the office or have a current tag. After notification, I will have the vehicles towed if necessary. This free amenity is to be used for vehicles that are road worthy.

The **mandatory annual census** will be coming soon to your mailboxes. Please take the time to complete this form as mandated by the rules of the park and return to the office in a timely manner before the deadline on the census.

Happy Holidays to all! Please be safe over the Holidays so we can see you all in the New Year!

Jennettie Lierman

2024-2025 President

Board Members: Kendal Taylor, Treasurer; Brigitte Emond, secretary; Donna Corcoran, Historian;
Directors: Sandy Gilbertson, Martha Ackerman, Tony Yonak, and Jay Henry.

The Holiday Season is here! Our community is coming back to life, slowly but surely.

We adopted all the children in Rubonia this season. Martha Ackerman had conversations with people in Rubonia to make all of this happen. Along with Sandy Gilbertson, Brigitte Emond and Mike Lierman who volunteered time and help.

We also adopted the foster children at Adventures in Learning Daycare again for Christmas. Eileen Vasquez along with Martha, Sandy, Brigitte and Mike are handling all the details.

The Christmas tree in the clubhouse has all the names for both places. Pick your tag(s) for shopping. A \$25.00 minimum please. You can also donate cash to the residents mentioned and they will shop for you.

We will have a wrapping party with details to be announced. Gifts will be delivered to Rubonia, December 15 and for the daycare on December to be announced. Gift wrapping party is Saturday, December 14, 12:30 p.m. Thank you all for the smiles and happiness you will give to 150 children.

I met Mike Moore at the new Culver's on 301 in November. He heard us (Donna Corcoran, Virginia Weaver, Donna Thorne, Mom and Me) talking about Rubonia and the Daycare for the holidays. He gave us his business card and said he would like to donate towards our project. Mike and his grandson Holden came to Saturday Coffee and gave us a check for \$300. That is enough for 12 children to receive presents. How nice was that!

Friday, December 6 is Trim the Christmas Trees and Holiday Potluck. Find specifics on Page 5 .

November's Ladies Lunch at the Lazy Ballerina was an experience of wonderfulness.

December's Ladies Holiday Lunch is hosted by Sandy Gilbertson, Sandy Kessell and Sandy Porter. See Page 5 for all the details.

Barb Clymer and Kelvin Sampson are asking for volunteers to drive and pick up donuts at Turner's Donuts for Saturday Coffee Hour for the month of January. Pick up donuts around 7 a.m. located at 902 9th Ave W, Bradenton. Sign up sheet is in the hallway in the Clubhouse.

The Residents Meeting in January will be the annual election. We are looking for a Vice President, Director and President.

It has been my honor to be the community's president. Because of my increased family responsibilities and life I cannot do it all and do it well. I know the next president to our community will take good care of us. Thank you to everyone for supporting me and the Board in all the social events that are booked in the clubhouse for our enjoyment.

Event calendars are posted and the calendar in this newsletter lists the "FUN" activities going on in the community.

That's all for now. Have the best day you can!

MOVING FORWARD

First, on behalf of both our communities, thank you, Bob Miller! Your willingness to help us in our time of need has not gone unnoticed, and is very much appreciated. Terry, Cheryl, Mike, Jose and Bonnie did an excellent job helping to get us back to as much normality as can be expected.

Tyler and his crew worked tirelessly day after day cleaning up both communities. I, as well as a lot of others, were very impressed by his and his crew's work ethics and willingness to do whatever it took to help us.

We had many people step up and help others during this time which just proves my point that these truly are communities, not just parks.

Bob Miller, owner of Country Lakes Villages, has an Advisory Board in place, comprised of residents from both communities.

The Advisory Board has accepted two new members. They are Susan Garcia from CLVII and Judy MacInness from CLVI. Welcome and we look forward to positive things in the future. At this time here are the board members: CLVI-Sandy Gilbertson, Sue Eckert, Bruce Steltzer and Judy MacInness. CLVII-Bree Borders, Sue Dibble and Susan Garcia with Dave Vossberg, Chairperson.

As of the deadline of this publication, we have not yet met with management for this month. We will include updates from this month's meeting in next month's newsletter.

Through the Advisory Board, resident issues are facilitated with Terry West, manager. A form has been created so that your concerns can be submitted in writing to any board member. Forms are available in both clubhouses, from any board member and within this publication. With Mr. Miller's approval, issues submitted to the board are those which affect more than one household. You are advised to deal individually with Terry West, manager, for personal issues.

The annual review of Rules and Regulations are done with the Resident Advisory Board. Other responsibilities include the revue and approval of social funds, the direction of improvements in the parks, along with other issues that may arise.

Advisory Board Working For You Residents' Link to Management

Additional items for discussion with Terry at the October meeting included:

Guest Overnight Parking. Through an input form from a member of the community, we discussed guest overnight parking with Terry. CLVII has an area designated for overnight guest parking and it was suggested that CLVI residents have a similar area.

Terry agreed with this idea and will move forward creating these spaces at CLVI's clubhouse parking lot. These spaces would be for registered guests only to park overnight when the host resident does not have room for them to park off the street.

Hot Tubs: The hot tubs at both communities have been resurfaced and by the time of this publication are back in use hopefully.

Fountain CLVI: The fountain has been repaired and will be installed by a vender. Unfortunately the storms have delayed the installation.

Additional Bookcases CLVII Library: There will be no additional bookcases. It is suggested to organize and purge the existing books.

Submitted by Dave Vossberg, Advisory Chairperson, who is committed to keeping our residents advised of the status of concerns submitted to the Advisory Board.
